Erasmus+

Top 40 Europe Scholarships for 2027 (Without IELTS)

Dear Candidate,
European Government and University scholarships for 2027 are officially open, providing a unique opportunity to study in Europe. **With IELTS non-mandatory, we strong suggest you apply now for early consideration as seats are limited.**
This selection of the top 40 scholarship programs is designed to support exceptional international students for Bachelor's, Masters, and PhD degrees across multiple European nations.
You are guaranteed support throughout your process, provided you meet program requirements.

- **Academic Merit:** Hold a strong high-school diploma, Bachelor's, or Master's degree (depending on the level).
- **Language Proficiency:** Proof of English proficiency is required, but IELTS is not mandatory (other tests or institutional proofs are accepted).
- **Letter of Motivation:** Required for most programs to understand your goals.

Eligibility Criteria and Program Areas:

- **Engineering:** All disciplines.
- **Science & Technology:** IT, Biotech, Data Science.
- **Business & Economics:** International Business, Finance.
- **Humanities:** Social Sciences, Arts.

Sincerely,

European Scholarships Committee
